### <<NEW SINGLE...>>

A new single is on the agenda for Autumn... 'Right here Right now' is still the number one choice but the management will not confirm anything - Not even the group know yet!!!!!!

### <<WARM UP GIGS...>>

Before their Glastonbury appearance, Jesus Jones played TWO warm ups, one at Tic Tac in Coventry on the 19th of June and another at 'The Junction' in Cambridge on the 20th... Sorry no warning was given by us but warm ups are kept as small and quiet as possible...

### <<AMERICAN TOUR...>>

The band tour America in September it is thought that some promotional work will be involved...

<<GLASTONBURY...>>  
Glastonbury was an overall success apart from the early lighting problems and the terrible amounts of water which flooded the stage. The group spent just under an hour on stage performing both the old and the new material...

DUE TO THE 2002  
WORLD CUP  
CLARKLAND  
BELL IN SHOW!  
BUT SAT 14th July!  
<<NTA>> July!

### <<ROCK ON JESUS...>>

On 7th July the group made their debut appearance on top light entertainment programme(!?) 'Cannon and Ball'. If you missed it-grab a video copy, its a classic!!!!!! They performed 'Info freako' but it went down very well with the (hmmmm) 'mature' audience of 90 year olds (the only age group who understand 'Bobby's' 'funny jokes!') What next... 'the Les Dennis laughter show'!!!!...

# JESUS JONES

Dearest punter,

Welcome to issue 2 of <<ALL THE ANSWERS>>, the fab, the groovy and what's more the only OFFICIAL Jesus Jones fanzine.

Thank you kindly for all of your mail and comments on issue 1. We have even received some fanmail for Al from all of the screaming girls who want to have his children (you know who you are!!!), we will do our best to pass on letters either in person or by mail as soon as we get them.

Issue 1 was an overall success, God knows we worried enough about the response. It was a very rushed affair as we started work very late and we overlapped the deadline by about a week-sorry to all who sent money early, it won't take that long next time (promise!!!!).

Please send in reviews of gigs etc. we'll print every one of them (if they're brilliant!!!). We would also like contacts who deal in the rare promo material as many people have asked us for information on these items, we can pass your addresses on.

Thanks a million to:-

Mike, Al, Jerry, Bazza, Gen, Norma and Alan 'Gimpo' Goodrick

Thanks also to:-

Neil, Phil, Ben (Howard), Sarah (daughter of Fred), Patricia (Tra La La), Mr. Buzzard (sorry about the personal jokes!!!)

Issue 3- October. Miss it at your peril!!!!!!!!!!!!!!

<<INTERVIEW WITH MIKE EDWARDS-CONTINUED FROM ISSUE ONE>>

WERE YOU BULLIED AT SCHOOL ?

I found easy ways out of being bullied, bullies are easy to confuse because basically they're extremly stupid people!! Once i could confuse them i could ride out any situation whatsoever, so i used to pretend that i was slightly insane! Whilst you're protesting that you are a daffodil and the sky is pink, they're trying to say "Are you looking at me?", when they dont get the standard replies of "Yes" or "No" they dont know what to do!!!

DO YOU PREFER HOME & AWAY TO NEIGHBOURS ?

I dont watch either of them!

HAVE YOU EVER USED A B-DAY ?

Only in the wrong way, i'm sure!!!

WHO HAS THE BEST HAIRCUT IN THE WORLD ?

WOW!!!!...let me think....um....oooooh. Have you seen Isabelle Ajarnes in the film 'Subway' (Its a great film, you've GOT to see it!). She has this one haircut in a dinner party scene that is absolutly stunning.

DO YOU KEEP A DIARY ?

I used to before the release of Info Freako, around December '88. After that thing got so hectic i just didn't have the time. I started leaving a day then writing two days up then it got stupid,i just dont have time.

WHEN YOU ARE ON THE ROAD, HOW MANY HOURS SLEEP DO YOU USUALLY GET ?

Around 7-8 hours, well i'm in bed for 7-8 hours but i dont seem to be sleeping much. When we tour Britain for some reason i never sleep very well. Japan, we didn't do well at all.

8 hours for me, but i'm the boring one of the group who always makes an attempt to go to bed early - With Alan its usually about 3!

WHO ARE YOUR HEROES ?

I dont have any heros. There aren't that many people i have that much admiration or respect for..... Spike Milligan is someone who i have a lot of respect for - I usually limit myself to that really, just because there are few people who manage not to fall down badly in my estimations somewhat!!

DID YOU EVER MASTER THE RUBIK'S CUBE ?

No! not at all, no!!! I got bored with that very quickly- after about two twiddles!!! My brother is one of those people who could say "Its dead easy" clack,clack,clack and there it all was, but i just didn't have the patience for it.

OH MR. RUBIK'S CUBE

HOW LONG DOES IT TAKE TO WRITE A SONG ?

MILK FLOATS  
ARE YOU GETTING ENOUGH?

The music takes about a day or so developing because i like to sort of finish songs off, production finished.  
The words take between two and four hours.

ARE YOU POLITICALLY MINDED ?

STAND  
WEAR  
MEN I  
NOPE

Oh yeah, yeah, i'm politically minded!! I wouldn't say i was a great fan of the political parties at all. I don't like the Conservatives, or Labour, but that doesn't mean the liberals are any good either. I think the most interesting thing in politics are the independant parties - The rise of the Green party, i would never vote for them because economically they're not up to much. That would be the most interesting thing, to see a new political group with a different line of thinking. (Like the Monster Raving Loony Party-RP) ha ha not quite that extreme, something a little more pratical!!

IF YOU MET JASON DONOVAN IN THE STREET, WHAT WOULD YOU SAY TO HIM ?

Nothing, nothing- i would have nothing to say to him.

WOULD YOU PUNCH HIM IN THE FACE??!

JESUS JONES

No, i wouldn't, i really couldn't be bothered with that- i would just think 'That's Jason Donovan' and walk on. I don't tend to be very impressed with so-called 'stars'. Few people make me feel like i've met someone important.

YOU HAVE BEEN QUOTED AS LIKING BROS, IS THIS TRUE ?

I think i like the idea, i couldn't go out and buy an album and listen to it and think 'This is really good!' .

The idea of them is good, i like these two people who look like Gods! They dont look human really!!

AND TO FINISH OFF, AREN'T THE "NEW KIDS" SHIT !

Yeah!!!Aren't they just!!

They really are!!!!(General laughter in room)

I'm pleased that i've got a quote in 'Bigmouth' in NME saying "Someone got it seriously wrong with the New Kids!"

Apparently they've read the stuff in Smash Hits and they've started slagging us back which i think is something quite special!!!

I find their success very depressing really, all of the lightweight pop bands through history generally had *something* going for them-some looks, style or talent any one of these things. Bros certainly, Kylie, Sonia, people like that have them.....Even Jason!!! New Kids have *NONE* of them! They have no sort of charisma, nothing that you really think 'Yeah, they're going to look sexy for 3 minutes on a video' *NOTHING*!!! Absolutely nothing there! Its like you take all the wrong people and make a band out of them!!!!

If You Have Any Questions For The Group Send Them In To Us For The Next Interview, Thanks to Mike For His Time!!!!!!

Iain, ah sod it, lets call him Barry also gets a spot to rap some nonsense about right and wrong (known only as 'Winston' at the moment) and struts his bonkers stuff in 'D Next To Cleanliness'. Mike does a solo version of 'What's Going On', joined by the rest of the crew for the last verse or so. By the time the show winds up with 'Never Enough', the crowd has flaked out. Of the thousand punters massed in the place only fifty or so are flopping about in final death throes at the stage. Probably one of the best gigs I've been to, and they claim to be suffering from first night nerves!

Heroes of the Romanian revolution and recent newcomers to the Hit Parade club, **JESUS JONES** are no strangers to the festival circuit, having proved to be one of the highlights of Reading last August.

For anyone interested I have a reasonable recording of the gig which I will record for you if you send a D90 and 10p for photocopying (photocopying my arse, you're just a misering bastard after a few quid!-rd) to the following address,

\* \* \* PRISTON STREET 10th MAY 1990

Their energetic stage antics may prove to be one of Glastonbury's visual highlights, although the stupid hats and graffiti-laden

surprise many acquaintances with last year's 'Liquidator' guitarists are quite ridiculous.

Mike Edwards, continuing development as a songwriter will surprise many acquaintances with last year's 'Liquidator'

## JESUS JONES (MIKE EDWARDS)

### FIRST ATTENDED

Some weird hippy thing on Blackheath in the early 70s.

### BEST ATTENDED

Lorelei '89 - good line-up, good weather, brilliant location. It was also our first big festival, and our first trip abroad.

### WORST ATTENDED

I confess! A Donington in the early '80s. The music was nearly all crap, and usual festival horrors rife - weather, toilets, violent drunks, emetic hamburgers etc.

### STRANGEST EXPERIENCE

Being hit on the head by a large glass flask, the type used in wine making - strange in that

first-time return world average. Telephone, able semen phone.

Right, so thank a lot to Dominic Buzzard our very own pop-picker. Next month we have a review of Blur at Bath Moles Club which apparently isn't worth dogs bits! (the club not the review).

Anyway the only reason for including the article is that they are on food records and Mike should be working on one of their singles later on this year. An obscure link but why should that put us off?

So you'd better buy it 'cos it's dead good (honest)
